### *Did you know...*

- It costs 2½ times an employee's salary to replace her
- You can lose your business via one wrongful termination lawsuit
- Small businesses face hefty fines for non-compliance with laws

Jen Brown will show you how you can establish effective, compliant, low-cost Human Resources (HR) practices to prevent problems, protect profits and grow your company! This will be a fun-filled, informative session and NOT a boring walkthrough of all the employment laws. This workshop is perfect for entrepreneurs, business owners, and managers who are thinking of adding their first employee or already have employees.

### **In this seminar, you will gain...**

- An understanding of and appreciation for the critical role that successful HR practices play in having a successful and growing business.
- Knowledge of the key HR problem areas.
- Free templates and resources for avoiding HR problems and establishing effective practices

*PeopleTactics® works with small business owners to implement Human Resources (HR) solutions in order to prevent problems that can drain them of their time, money, and energy. They can help with finding, hiring, and determining what to pay employees; employee orientation and performance; developing employee handbooks and benefits packages; or even partnering with your existing HR team to develop long term strategies!*
